VSCC NEWS

We Have a VP, and Maybe a President!

Paul Wilkins has been seconded by the Management Committee to the new role of Vice-President. This new role has been created to ease the workload of the President and to provide experience in the duties of that position so that we have a better chance of filling the top job in future years.

Thank you, Paul.

The other good news is that Glenn Swarbrick has offered to take on the role of President. Glenn is a former member of our club and has re-applied for membership.

He is an experienced competitor in historic competition and drives a Macon Formula Ford. Glenn is a former member of the WA Sporting Car Club and runs a yachting business in Henderson.

The Management Committee will consider Glenn's membership application and his secondment as President at its next meeting on 12 March.

We Still Need a Competition Secretary

Our club needs someone with an interest in competition events to take on the role of Competition Secretary. The workload of this role has also been eased considerably by the creation of new roles of Event Coordinator for each of our major events – Northam, Albany, Collie and the Vintage Stampede.

That means the Competition Secretary has more of an oversight role to guide the work of the coordinators and to chair the Competition Sub-committee. It also means that the Event Coordinators become trained in event management and would possibly be able to take on the Competition Secretary's role in the future.

We are very grateful to the following members for putting up their hands to help as Event Coordinators or assist in organising events: Rob Ozanne, Michael Grogan, Brian Eyre and Thierry Michot. We have also had an offer of help from a non-member, Murray Paddison and accordingly we have given him the honorary membership which we provide to our other non-member volunteers at Northam and Albany.

Our former Competition Secretary, Paul Bartlett has graciously stepped in to work behind the scenes in preparing for Northam. However, Paul has made it clear he is not able to continue in this role so we need members to find someone to take on the new role of Competition Secretary with its reduced workload.

CAMS Official of The Year

Speaking of Paul Bartlett, we are very pleased to announce his considerable efforts in organising our club's competition events have been recognised with him being awarded CAMS Official of the Year for 2018 at the award ceremony at Crown Casino last month.

Congratulations Paul!

Northam Motor Sport Festival

Our Northam Motor Sport Festival for 2019 kicks off on 6 & 7 April. Unfortunately, due to roadworks at a nearby housing development, the Lindsay Monk Hillclimb at Mt Ommaney on the Saturday morning has had to be cancelled for this year.

However, the Minson Avenue Motorkhana on the Saturday afternoon and the Northam Flying Fifty on the Sunday will provide competitors and spectators plenty of action.

Supplementary Regulations and entry forms are now on the club's website and scrutineering will be on Saturday 23 March at North Metropolitan TAFE in Lloyd St, Midland.

Click here for:

Motorkhana Supplementary Regulations:

<http://www.vscwa.com.au/cms/uploads/File/Documents/Northam/2019/NorthamMotorkhanaSuppRegs19.pdf>

Flying Fifty Supplementary Regulations:

<http://www.vscwa.com.au/cms/uploads/File/Documents/Northam/2019/NorthamF50SupRegs19.pdf>

Entry Form:

<http://www.vscwa.com.au/cms/uploads/File/Documents/Northam/2019/NorthamF50EntryForm19.pdf>

CAMS On-Line Entry

You can now use the CAMS on-line entry system to enter for the Flying Fifty. This is quick, simple and saves the paperwork.

If you haven't already done so, you must first register with CAMS using your CAMS licence number:

<https://portal.cams.com.au/members/registration>

Then you can enter for the Flying Fifty and other events throughout the year using the Member Portal:

<https://portal.cams.com.au/login?returnURL=https%3a%2f%2fportal.cams.com.au%2fmembers%2fmember-services>

Give it a try!

Coming Events

In addition to the Northam Motor Sport Festival mentioned above, other coming events are:

- e. Members – WASCC 50th anniversary meeting (SS, MB)
- f. Members – transport to Phillip Island (SS)

Acceptance of the Secretary’s Report:

Moved: David Moir **Seconded:** Ivan Okey **Carried**

8. President’s Report: In the absence of a President, Ian Fry made the following comments as chair of the meeting:

- Expressed his concern at the lack of suitable candidates for the positions of President and Competition Secretary and urged members to provide nominations of suitable candidates.
- Moved a vote of thanks to David Moir for the support he provided to former president Rob Ozanne and to the running of the club in the interim.
- Advised that trophies awarded at the December meeting should be returned to the club for engraving; there will be advice in the next newsletter.
- Organisation for the Red Dust Revival at Lake Perkolilli in September is going well:
 - i. The third information bulletin has been released.
 - ii. Members can give their name and email address to Ian to be on the circulation list.
 - iii. Entries from 50 cars and 30 motorcycles had been received so far.
- Bob Campbell’s vale article of Peter Giddings in the February issue of *Vintage Metal* was very appropriate.
- There is no guest speaker for tonight’s meeting and we are seeking suggestions for a speaker for next month.

9. State of Play Reports:

a) Competition:

- Northam Motor Sport Festival (6 & 7 April)
 - i. The Lindsay Monk Hillclimb at Mt Ommaney on the Saturday has been postponed for 2019 due to roadworks for an adjacent housing development.
 - ii. There is some doubt whether the Minson Avenue Motorkhana on the Saturday afternoon will proceed and the viability of the Northam Flying Fifty is being tested with a survey of likely competitors.
 - iii. A decision on the Motorkhana and Flying Fifty will be made at the management Committee meeting on 12 February and members will be advised.
- Randle Beavis expressed his concern with the club’s ability to run competition events now that Paul Bartlett had stepped down. He praised Paul for his considerable efforts in running the club’s events in recent years and drew members’ attention to the lack of suitable CAMS-

accredited officials in the club which made us dependent on using officials from outside the club and exposed us to shortages of suitable people.

b) **Workshop:** Ron Fabry reported that:

- 42 Dad's Army volunteers attended a Christmas Party at Ron West's car collection in December.
- There were 18 volunteers at last Saturday's Dad's Army day
- They had a visit from the president of the A Model Restorers Club and are planning a visit from the club in coming months.
- The Christmas-in-July function will be a visit to the Pernicelli Ford collection at Gidgegannup.

c) **Library:** Mark Jones reported that we have acquired a new book, Legends of Speed.

d) **Social:**

- Michael Broughton reported that he is coordinating a club display at the WASCC's 50th anniversary meeting at Barbagallo Raceway on 2 and 3 March.
- Graeme Whitehead reported that he is coordinating a display of club cars at the Classic Car Show at Ascot on 24 March.

e) **Regalia:** nil.

f) **Caversham:** Brian Eyre reported that he and several club representatives met with Peet Ltd in December to discuss the renewal of a short-term lease of the clubrooms and the options for a long-term lease; he is maintaining contact with Peet and the Dept of Communities.

10. **General Business:**

- David Moir explained changes to *Vintage Metal* magazine, as outlined in the February issue.
- Paul Bartlett was congratulated for being awarded CAMS official of the year for 2018.
- Sheryl Swarbrick gave a progress report on the Wild Apricot membership system and website.

11. **Guest speaker:** nil.

12. **Next Meeting:** Monday 11 March.

13. **Meeting Closed:** 9:45 pm.
